Abel Beyene Weldeslassie

Mobile App Developer

Full Stack Developer with a frontend-focused approach on both Mobile and Web applications, currently pursuing a Master's in Computer Science at **Paderborn University**. Experienced in **Flutter** for mobile apps and **React** for modern web technologies, with a strong focus on clean architecture, scalable design, and creating user-friendly, maintainable solutions across platforms

TOP SKILLS

| Flutter | NodeJs | Dart | JavaScript | Python | Typescript | Power Bi | MongoDB | React | Tailwind |

WORK EXPERIENCE

Mobile App Developer: Part-Time
Mindsight Performance Institute

12/2024 - Present   *Atlanta, USA*

Achievements/Tasks

- Translated high-fidelity UI/UX designs from tools such as **Figma** into Flutter applications, implementing precise layouts, smooth animations, and pixel-perfect components to deliver seamless user experiences.
- Designed and implemented **scalable, responsive layouts** using **MediaQuery, LayoutBuilder, and Flexible/Expanded widgets** , building reusable UI components and adaptive design systems to ensure consistency and seamless experiences across diverse screen sizes and devices.
- Implemented features following Clean Architecture principles with seamless backend integration, leveraging **BLoC for state management, Dio for networking, Hive for local persistence, and advanced caching strategies** to deliver scalable and maintainable applications.

Contact : Gelawdiyos M. Haile PH.D LPC, NCC - gelawmpi@gmail.com | +1 (404) 723-8847

Lead Mobile App Developer: Full-Time
Akilo Corporation

05/2024 - 09/2025   *Addis Ababa, Ethiopia*
https://www.akilocorp.com

Achievements/Tasks

- Served as **Technical Lead** of the development team, driving architectural decisions, mentoring developers, and ensuring code quality through best practices and reviews.
- Skilled in integrating third-party libraries, advanced state management solutions, and handling **RESTful API integrations** to deliver dynamic and data-driven features.
- Architected scalable and maintainable Flutter applications using **Clean Architecture principles** , ensuring separation of concerns, testability, and flexibility in project development.

Contact : Yonathan Kidanemariam, Hong Kong - yyaannaatthhaann@gmail.com

WORK EXPERIENCE

Frontend Software Developer : Contract
Hulum Incorporated Technology Solution S.C

07/2025 - 10/2025   *Addis Ababa, Ethiopia*
https://huluminc.com
Achievements/Tasks

- Built a **real-time trading platform** using **React and TypeScript** , delivering a high-performance, scalable, and user-friendly interface for complex trading operations.
- Managed complex, real-time data flows using **Zustand** for state management and tested API integrations with **Insomnia** , ensuring accurate and reliable market, trade, and portfolio data.
- Optimized performance with **lazy loading, code splitting, and memoization** , reducing load times and improving responsiveness under heavy data loads.

Fullstack Developer : Contract
Tegbar Technologies

08/2024 - 06/2025   *Addis Ababa, Ethiopia*
Achievements/Tasks

- Developed **Tegbar** , a cross-platform competition and challenge management platform for **mobile and web** , implementing event creation, participant management, and winner tracking.
- Integrated **Firebase** for real-time data, authentication, and backend services, ensuring seamless synchronization across platforms.
- Applied **Clean Architecture and BLoC state management** , creating scalable, maintainable, and testable code with dynamic, responsive UI/UX.

TECHNICAL SKILLS

Programming Languages	JavaScript, Dart, Python, Java, Typescript, C++	DataBases	MongoDB, Firebase, MySQL
Frameworks	Flutter, React, Nextjs, ExpressJs,	Tools	Dart Dev tools ,Insomnia, Power Bi, GitHub

EDUCATION

Computer Science (MSc.)
Universtät Paderborn

10/2025 - Present   *Paderborn, Germany*

Bachelor of Science in Software Engineering
Adigrat University

10/2017 - 12/2021   *Adigrat, Ethiopia*

LANGUAGES

English	Deutsch	Tigrigna	Amharic
Full Professional Proficiency	*Elementary Proficiency*	*Native or Bilingual Proficiency*	*Native or Bilingual Proficiency*

PERSONAL PROJECTS

Dinar Financial Services - P2P (07/2024 - 08/2024)
- Flutter, Dart

Mini School Management System (01/2023 - 03/2023)
- React,Nodejs, ExpressJs,

Sabeh Cafe (07/2025 - 07/2025)
