## WORK EXPERIENCE

### Lead Mobile App Developer

Akilo Consultancy Corporation

[akilocorp.com](https://akilocorp.com)

12/2024 - 01/2026

Addis Ababa, Ethiopia

- Served as Technical Lead of the development team, driving architectural decisions, guiding developers, and ensuring code quality through best practices and reviews.
- Developed & deployed Awema (Android/iOS) social media, job portal, and HR management app with Clean Architecture TDD, BLoC, and CI/CD pipelines

### Frontend Developer : Contract

Hulum Incorporated Technology Solution S.C

[huluminc.com](https://huluminc.com)

05/2025 - 10/2025,

Atlanta, USA

- Built a real-time trading platform using React and TypeScript, delivering a high-performance, scalable, and user-friendly interface for complex trading operations.
- Optimized performance with lazy loading, code splitting, and memoization, reducing load times and improving responsiveness under heavy data loads.

### Mobile App Developer: Part-Time

Mindsight Performance Institute

[mpiglobal.org](https://mpiglobal.org)

03/2024 - 08/2025,

Addis Ababa, Ethiopia

- Developed MPI a real-time score tracking app with gamified controls, interactive learning modules, player performance analytics, and connections between players, coaches, organizations, and parents
- Implemented features with seamless backend integration, leveraging Riverpod for state management, Dio for networking, Hive for local persistence, and advanced caching strategies to deliver scalable and maintainable application

### Fullstack Developer : Contract

Tegbar Technologies

03/2023 - 02/2024

Addis Ababa, Ethiopia

- Developed Tegbar, a cross-platform competition and challenge management platform for mobile and web, implementing event creation, participant management, and winner tracking.
- Integrated Firebase for real-time data, authentication, and backend services, ensuring seamless synchronization across platforms. Applied Clean Architecture and BLoC state management, creating scalable, maintainable, and testable code with dynamic, responsive UI/UX.

## EDUCATION

### Computer Science (MSc.)

Universität Paderborn

10/2025 - Present,

### Software Engineering (BSc)

Adigrat University

10/2017 - 12/2021

## LANGUAGES

English - Fluent

Deutsch - A2

Tigrinya - Native

Amharic - Native

## HOBBY PROJECTS

[AdaptMyCv](#) - Tools for CV-to-job matching

[Astroid Visualizer](#) - Earth astroid visualizer, NASA API

[Doti Score tracker](#) - Live score tracking for tennis
